ADVANCING EMERGENCY CARE

Emergency Medicine Board Review Intensive MAKES THE DIFFERENCE

ICEP gives you the edge as you prepare for your exam:

- **Targeted lectures: High-yield facts in an effective Board-style question and answer format**
- **Morning and evening question review sessions — extra practice on what you need the most**
- **Pass Guarantee* for first-time exam takers in 2019**
(*conditions apply - see EMBRintensive.org for details)
- **Comprehensive review materials and syllabus**
- **Expert faculty covering all of the major concepts included on the exams in a concise, 4-day program**

Here's what you'll get with course registration:

Extra Focus on Questions

Maximize your study time with supplemental question sessions:

- 3-hour "rapid-fire" Evening Question Review on Days 1, 2 & 3 with EM question experts
- 50-minute morning reviews of the previous day's topics on Days 2, 3 & 4 with board exam specialist Dr. Deborah Weber
- Plus: Daily photo quizzes test your learning as you go along!

Self-Study Online Question Bank Access

ICEP's exclusive online review program features 650+ visual stimuli-based questions on EKGs, X-rays, infectious disease, EENT, dermatology, trauma, and more. Access starts at the time of course registration through December 31, 2019, allowing you to review whenever, from anywhere with Internet. Plus, earn 27 AMA PRA Category 1 Credits™!

Extensive Syllabus Book

Participants will receive a comprehensive Syllabus Book with detailed outlines and key-points "pearls" for all course lectures — 900+ pages of study material in hard copy format that makes notetaking easy. Electronic syllabus files will also be emailed 1 week before the course for participants who prefer to use their tablets or laptops to review.

Study Pearls for EM Board Review Audio CDs

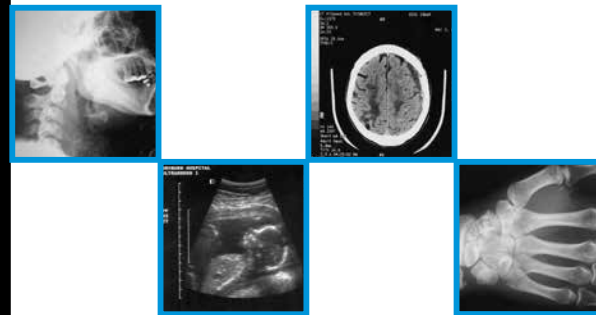

Added benefit for participants! The 3-volume audio CD set of 550+ question-and-answer Pearls brings you 6 hours of on-the-go review and Board prep that mirrors the content emphasis of ABEM's qualifying exam. Compatible with computers, iPods and traditional audio CD players, the CD program also offers 6 AMA PRA Category 1 Credits™.

EM BOARD REVIEW Intensive meets the needs of emergency physicians preparing for the Qualifying or ConCert exam.

Objective: Demonstrate cognitive expertise on topics from the "The Model of the Clinical Practice of Emergency Medicine" and preparation sufficient to pass the Qualifying and ConCert Examination administered by the American Board of Emergency Medicine.

Register at

EMBRintensive.org

Perfect for ConCert prep!

Don't overlook **EM BOARD REVIEW Intensive** when you're looking for ConCert exam review — more than 60% of our participants come to prepare for their recertification exams.

Focus on QUESTIONS for maximum preparation

Evening Question Review

All questions, all night long!

Join ICEP in the evenings for Evening Question Review: 3-hour “rapid-fire” question sessions that will keep you on your toes as you maximize your study time. The fast-paced, interactive format is a perfect opportunity for a targeted review of topics and a way to earn topic-specific CME hours too.

No time to attend a course? Two great options!

Join us after dinner for Evening Question Review only

If your schedule is too packed for our full 4-day review, join us at night instead! You may register separately for the Evening Question Review — either the full 3-day program or individual evenings.

Review on your own time with Self-Study Online question bank

Access to ICEP’s popular online question review bank (included with course registration) is also sold separately if you can’t attend the live course. Fit studying into your busy schedule with 90 days of online access for just \$295.

Approved for a maximum of 27 AMA PRA Category 1 Credits™

Join Us After Dinner

FEBRUARY 5-7, 2019

AUGUST 13-15, 2019

included free with 4-day course registration or separately for:

\$199 - ACEP

\$249 - Non-ACEP

CME statement This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the American College of Emergency Physicians and the Illinois College of Emergency Physicians. The American College of Emergency Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Live Activity

Emergency Medicine Board Review Intensive:

The American College of Emergency Physicians designates this live activity for a maximum of 41.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of 41.5 hours of ACEP Category I credit.

Provides 8.25 hours of pediatric topics that can be used in hospitals recognized in Illinois as an EDAP, SEDP, or PCC. Provides 8.75 hours of trauma topics that fulfill requirements set by the Illinois Emergency Medical Services and Trauma code.

Enduring Material Activity

Emergency Medicine Board Review Intensive Self-Study Online:

The American College of Emergency Physicians designates this enduring material for a maximum of 27 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of 27 hours of ACEP Category I credit.

Provides 1.5 hours of pediatric topics that can be used in hospitals recognized in Illinois as an EDAP, SEDP, or PCCC. Provides 1.25 hours of trauma topics that fulfill requirements set by the Illinois Emergency Medical Services and Trauma code.

Study Pearls for Emergency Medicine Board Review:

The American College of Emergency Physicians designates this enduring material for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of 6 hours of ACEP Category I credit.

Provides 1 hour of pediatric topics that can be used in hospitals recognized in Illinois as an EDAP, SEDP, or PCCC. Provides 1.5 hours of trauma topics that fulfill requirements set by the Illinois Emergency Medical Services and Trauma code.

CME credit has been requested from the American Osteopathic Association (AOA).

Physician Assistants: PAs may submit 41.5 Category I credits as this course is accredited by ACCME.

Nurses: The American Nurses Credentialing Center’s Commission on Certification will accept CME credit for 50 percent of a registered nurse’s certification requirements. ANCC does not recognize a conversion but considers one CME hour to be one nursing contact hour.

The State of Illinois Department of Financial and Professional Regulation will accept CME credits toward the 20 hours of continuing education credit required per 2-year nursing license renewal cycle.
